Gamma Epsilon Graduate Chapter of Hermandad de Sigma Iota Apha, Inc.

Long Island/Queens Region

As

an organized group, we will strive to work diligently to reconnect older sisters with the organization. It is our goal to help address the needs of the recently graduated, seasoned, mothers and career oriented Hermanas.

In the

Spring of 2005, five women came together to address the needs of alumnae in the Queens/Long Island Region. As an organized group, we participated in community service projects (March of Dimes, NY Cares, Multiple Sclerosis, Toys for tots), numerous social events (BBQ, Mezcladeras, family picnic) as well as workshops (Legal matters, a woman's pampering event.) On February 11, 2007 we were granted our chapter charter becoming the Gamma Epsilon Graduate Chapter.

These five women are the Founding Hermanas of the Gamma Epsilon Chapter:

Cynthia Baux - H. Aliento

Yahira (Acosta) DeLeón - H. Espirituosa

Gina L. (Barahona) Johnson - H. Amorosa

Flavia (Azerrad) Salcedo - H. Nieve
